CELEBRATING

30
YEARS

OF ASCOTT MOMENTS
WITH YOU

2014 marks the 30th year that Ascott has been in the serviced residence business. Ascott pioneered Asia Pacific's international class serviced residence, The Ascott Singapore, back in 1984. That same year, our *Citadines Apart'hotel* brand also started its operations in Europe. Since then, Ascott has come a long way to becoming an international company with more than 32,000 serviced residence units across Asia Pacific, Europe and the Gulf region.

At Ascott, we are committed to providing service from the heart and creating special 'Ascott Moments' with you.

Thank you, for 30 years of lasting memories and friendships.

We respect our residents' individuality, and help tailor our services and the environment to suit their individual lifestyle. You will find that at every residence, we've spared no expense to ensure that it is just right and comfortable for your lifestyle choice. From the personalised services of *Ascott*, to the flexible services of *Citadines*, or the recreational activities of *Somerset*. Every interior detail is carefully seen to, every need taken care of – so you will be perfectly at ease, and at home.

Feeling at Home

BRAND PROMISE

We respect your freedom to live the way you want, and give you space to breathe. Your apartment comes with a living room and kitchen. So you can invite friends over for a home-cooked meal. When work beckons, just plug the broadband cable into your laptop. To relax, head for the gym, or pool, or mingle at the residents' lounge. And choose exactly the space you want – from a studio to a three-bedroom. At our residences, you have all the space and freedom to live, dream and grow.
